

REGEN LESS™

Reduces
Regenerative
Burns Up To **80%**

Diesel Fuel Catalyst Treatment

Diesel Particulate Filters (DPF) trap harmful diesel exhaust soot particles and need to be cleaned regularly. The accumulated soot is burned off at high temperatures leaving a residue of ash, effectively regenerating the filter.

RegenLess is a combustion fuel catalyst that allows the fuel to burn clean and efficiently with minimal soot and contamination. This drastically reduces the need for regenerative burn cycles that lead to downtime and other excessive costs.

- Reduces Regenerative Burn Cycles Up To 80%
- Greatly Reduces DEF Usage
- Extends Particulate Filter Life
- Reduces Injector Stiction
- Reduces Labor and Downtime Costs
- Reduces Costly DPF Replacement
- Effective in all diesel fuels including ULSD and biodiesel blends containing up to 20% biodiesel (B20)
- Ultra Low Sulfur Diesel (ULSD) Compliant
- Ultra-Concentrated Formula

Fleet Tested & Proven

"...we would have to pull our 09' C8500 dump truck over and perform a 15 minute exhaust regeneration (burn cycle) multiple times a day to clean the exhaust particulate filter. This would waste over 7 hours a month and countless gallons of fuel. We now only perform one exhaust regeneration cycle per month! The time savings, as well as the repair costs to the particulate filters are saving us thousands just on this vehicle."

"...we are seeing on average, a 1 MPG increase in fuel economy throughout our fleet."

**Hauling & Special Services Supervisor
Public Works Department of Major State Municipality**

TREATMENT RATIOS:

Initial Dosage Until First Regen: Add 1 ounce of RegenLess to every 5 gallons of diesel fuel.

After First Regen Cycle (ongoing): Add 1 ounce of RegenLess to every 10 gallons of diesel fuel.

DESCRIPTION	PART # / CASE QTY	EACH TREATS (gallons / liters)
DMIB REGENLESS 24 OZ (710ML)	15-024-6	240 / 908
DMIB REGENLESS GALLON (3.79L)	15-128-4	1280 / 4845
DMIB REGENLESS 55 GALLON DRUM (208L)	15-055-1	70400 / 266493
DMIB REGENLESS 275 GALLON TOTE (1041L)	15-275-1	352000 / 1332465
